Subject: L&RR OU2 - SLERA Addendum No. 2 SUBMITTAL

Anna

Below please find a link to SLERA Addendum No. 2. This addendum incorporates results from the second round of wetland samples collected in May 2017 and compares these results with the June 2016 round to evaluate ecological risk.

https://woodardcurran.sharepoint.com/sites/clientprojects/LRRSuperfund/_layouts/15/guestaccess.aspx?docid=152b320a57d764d018c0b7d132187559f&authkey=AWM8msdeed7e4-x123UMVPk

Note that only the Level 2 lab reports have been included with the uploaded version of this addendum due to file size. Please indicate if copies of the Level 4 reports are needed and we will provide via CD.
